Corporate Safe Driving Packages

Protect your most valuable asset - your people

Safety is a priority for us all. Employers work hard to ensure the health and safety of their employees but safe driving can be overlooked. 1 in 3 road traffic accidents happen to people while driving at work. Employers have a duty of care to ensure staff are as safe as possible on the road especially in light of the forthcoming revision of corporate manslaughter legislation.

Foyer Drive, in partnership with Roadwise Driver Training, offers tailor-made safe driving packages. A bespoke package may include any of the following:

- road familiarisation training - helps newcomers acclimatise to driving in Aberdeen, can be part of a relocation package
- defensive driver training
- advanced driver training
- fleet driver training
- skid control training
- advanced motorcycle training

Roadwise, the largest independent driver training organisation in North East Scotland, has 12 years' experience of working successfully with organisations to deliver driver training courses to arm employees with the skills and knowledge to be safe on the road. Almost all employees drive, whether it is business related travel during the working day, commuting to and from work, or during off-duty hours. It is vital employers make safe driving part of company culture, encouraging employees to recognise their personal responsibility to drive safely.

Please get in touch with Foyer Drive and help your employees develop life-long safe driving habits.

For more information please contact Allan Farmer, Foyer Drive Coordinator, on **01224 224266** or allanf@aberdeenfoyer.com

Foyer Drive is an enterprise of Aberdeen Foyer. Profit generated through corporate driving packages delivered by Roadwise Driver Training supports subsidised driving lessons for disadvantaged young people. www.aberdeenfoyer.com
