

a bit
about
us

By addressing the root causes of poverty and inequality through employment, education and a safe space to live we enable individuals to fulfil their potential - and strengthen their communities.

If you are interested in finding out more about the Foyer's services and businesses please contact:

Aberdeen Foyer is a Charitable Company Limited by Guarantee, registered in Scotland, No: SC184423 and a registered Scottish Charity, No: SC023655

The Foyer is a local charity supporting people in the North East of Scotland towards independent living, learning and work.

We believe there is no limit to what people can achieve and that everyone has the right to a positive future.

We deliver joined up services offering supported housing, learning, training, counselling, employment support and health improvement initiatives to young people and adults.

Working with over 1600 people per year we start with people's strengths supporting them to build their own confidence, develop their talents and make real and lasting change in their lives. We:

- provide young people who are homeless or at risk a safe place to stay
- support people who are unemployed to learn new skills and move into work
- engage people through education and learning opportunities
- support positive mental health and wellbeing

a safe home

develop talents

towards and into work

good health
